## Qlick for Manpower

Join the Qlick Talent Pool and let us connect you to the larger companies in the Netherlands. With clients such as Pon, LeasePlan and RTL, there are always great projects ahead of you. Our recruiters are happy to put you in touch with these companies. If you want more certainty, we offer fixed salaries, but you can also work on an hourly basis. You can keep track of the hours yourself, via our app and after approval, we will transfer your salary within a few days.

We also offer a reserve fund for temporary employees who work on an hourly basis. If, for whatever reason, you have worked fewer hours in a certain month, we will use the money in this fund and complement your salary that month.
