

Recruitment & Staffing Solutions

With offices in Amsterdam and Dubai, Qlick offers a comprehensive solution for recruitment and staffing. With our unique Remote & Relocate approach, our clients have access to the best talent worldwide. Geographic location is no longer the reason to hire talent, it's all about match quality! Prefer to relocate the resource after a few months? Not a problem, we offer extensive relocation services as well.

OUR PARTNERS

Top quality recruitment and staffing

Our recruiters are always up to date with the latest news and developments within the IT sector. We believe in long-term partnerships based on trust. Qlick recruits talent worldwide and aims to find the perfect match for your IT vacancy.

Hire remote resources in 150+ countries

With Qlick Remote, we handle the payroll process, tax systems and hire the best talent worldwide; always fully compliant with local laws. Our currently active remote talent is based in 15 countries; from Brazil to Hong Kong and from the UK to South Africa.

Fully regulated and Recognised Sponsor (IND)

Qlick is fully regulated by the Labor Market Regulation Association in the Netherlands. As an authorised partner of the Dutch Immigration Authority (IND), we offer residency for highly skilled migrants in the Netherlands.

Stichting Normering Arbeid

Immigration and Naturalisation Service
Ministry of Justice and Security
Recognised Sponsor

‘What’s next is our inspiration. We always aim to be at the heart of the latest developments. Our top-quality IT-team, partly shaped by Qlick, is a key in this process.’

REINOUD MEIJER, Project Manager PON automotive ICT
